

Minister of Music

Godspell - calling all students in grades 6 - 12!! If you're not already a part of *One Voice*, now is the time. We have begun serious rehearsal on the Broadway musical *Godspell*. This past fall Bart has been teaching the parables in Matthew to our students and

they have been redreaming them with a contemporary eye. From this study, they, along with Owen, will write a script that we will use for our production of *Godspell*. **Auditions for the musical will be on Sunday afternoon, January 17 at 3:00 p.m. in the sanctuary. Any student, grade 6 - 12, wishing to audition should be sure to add their name to a specific audition time on the sign-up sheet outside the choir room downstairs.**

To get a real jumpstart on the musical, *One Voice* will have a lock-in on Friday night AFTER THE BASKETBALL GAME with Laurens. We will start at 9:00 p.m. in the Family Life Center. In addition to working on the music, we will also begin to integrate some of the drama as well.

Believe it or not, we are only weeks away from the beginning of Lent. The church year carries us through the pivotal times in the life of Christ and the early church so that we do not neglect the messages they have

for us. Lent, in Christian tradition, is the period of the church year leading up to Easter. The traditional purpose of Lent is the preparation of the believer — through prayer, penitence, and self-denial — for the annual celebration of the Resurrection of Jesus. We at First Baptist join Christians all around the world in celebrating Lent - beginning on Wednesday, Feb. 17. Not counting the Sundays, Lent, begins forty days before Easter, on Ash Wednesday. The forty days represent the time that, according to the Bible, Jesus spent in the wilderness before the beginning of his public ministry, where he endured temptation by Satan.
