Bart's Update:

**FISH RESULTS**

Since we've begun the FISH (Focusing on God, Inviting new people, Scripture memorization, Hunting for THE BOX) incentive for youth, we've seen exactly 106 youth come in and out of our doors at FBC. That's truly amazing!

At the end of the second full month of FISH we counted up all the Chips and we have two winners again! Interestingly enough, the winners are the same two people – Krista Massingill and Emily Sudduth both have 330,000 Chips each! Wow! Great job ladies! Remember – the winner of the competition at the end of April receives a TUITION FREE YOUTH MINISTRY SUMMER! That means that for every trip, event and outing, the winner of the FISH incentive does not pay any tuition. For example, if a trip costs \$100 and youth are told to bring \$25 for extra food and snacks, the winner does not pay the \$100 tuition, but does pay the \$25 for food and snacks. If you have any questions, please let me know!
